

RUTUJA VAIDYA

Pune, Maharashtra, India | +91-9322609596 | vaidyarutuja14@gmail.com
LinkedIn

PROFESSIONAL SUMMARY

Frontend-focused Computer Engineering graduate and M.Tech student with hands-on experience developing responsive web interfaces and integrating frontend applications with backend services. Skilled in HTML5, CSS3, JavaScript, responsive web design, DOM manipulation, and REST API integration. Experienced in building user-facing dashboards, interactive components, and multimedia upload workflows. Strong foundation in programming, debugging, and software development, with an interest in creating accessible, scalable, and user-friendly web applications.

EDUCATION

COEP Technological University <i>Master of Technology in Artificial Intelligence in Signal Processing</i>	Pune, Maharashtra 2026 – Present
Dr. Babasaheb Ambedkar Technological University <i>Bachelor of Technology in Computer Engineering CGPA: 7.03/10</i>	Lonere, Maharashtra 2022 – 2026
Maharashtra State Board (HSC) <i>Higher Secondary Certificate 59.45%</i>	Parbhani, Maharashtra 2022

TECHNICAL SKILLS

Languages	JavaScript, HTML5, CSS3, Java, Python, SQL
Frontend Development	Responsive Web Design, DOM Manipulation, UI Development, Cross-Browser Compatibility
Web Technologies	REST API Integration, Frontend-Backend Integration, Form Handling, Multimedia Uploads
Frameworks & Libraries	React.js, Flask, FastAPI
Databases	MySQL, PostgreSQL
Developer Tools	Git, GitHub, VS Code, PyCharm, Chrome Developer Tools
Core Competencies	Debugging, Performance Optimization, Problem Solving, User Experience

PROJECTS

Civici Platform — Civic Issue Reporting Web Application

HTML, CSS, JavaScript, Web Development

- Co-developed a citizen-focused reporting platform designed to allow users to submit and track civic complaints through a web-based interface.
- Built user-facing interface components for uploading and previewing photo, video, audio, and document evidence.
- Implemented responsive UI workflows to improve usability across desktop and mobile screen sizes.
- Worked on frontend and backend integration to support structured complaint submission and data handling.

PolicyPulse — Interactive Sentiment Visualization Dashboard

HTML, CSS, JavaScript, Flask, Data Visualization

- Developed the frontend dashboard for a sentiment-analysis application displaying model-generated analytical results.
- Created interactive visual components for sentiment trends, word clouds, and topic-level information.
- Integrated browser-facing templates with Flask backend services to present dynamic application outputs.
- Designed a clean and responsive interface for presenting complex information in an understandable format.

INTERNSHIP

Krupasindhu Softwares And Advertisement Pvt. Ltd.

*Full Stack Java Developer Intern*Nanded, Maharashtra
Aug 2025 – Sep 2025

- Developed responsive and cross-browser user interfaces using HTML, CSS, and JavaScript for web applications.
- Translated UI requirements into functional frontend components and connected them with backend REST services.
- Collaborated on frontend-backend integration to ensure reliable data flow between user interfaces and APIs.
- Debugged UI issues and applied frontend development practices to improve usability and application performance.

Infosys Springboard

*Artificial Intelligence Intern*Remote
Jun 2026 – Present

- Contributing to an AI-powered Wildlife Population Intelligence System involving web-based application development.
- Working with React.js, FastAPI, PostgreSQL, and frontend-backend integration workflows.
- Collaborating with mentors and team members to develop practical application interfaces and system functionality.

CERTIFICATIONS & ACHIEVEMENTS

- Full Stack Java Development** — Internship / Training Certification
- Full Android Development** — Certification
- LeetCode:** Solved 1,000+ programming problems; earned 100 Days Badge 2025.

- **HackSpectra Hackathon:** 2nd Runner-Up in a 36-hour hackathon.
- **Google Student Ambassador 2025:** Selected as Google Student Ambassador representing Google on campus.

ADDITIONAL INFORMATION

Areas of Interest	Frontend Development, Web Applications, UI Engineering, Full Stack Development
Relevant Coursework	Data Structures and Algorithms, Database Management Systems, Object-Oriented Programming, Web Technologies
Languages	English, Hindi, Marathi
